

ANGELA MARGARET EVANS

PhD, FFPM RCPS(Glasg)

QUALIFICATIONS

2017	LONDON SCHOOL OF HYGIENE & TROPICAL MEDICINE Health in Humanitarian Crises Certificate: https://www.futurelearn.com/certificates/ptkv49w
2016	AUSTRALASIAN PODIATRY COUNCIL Professional Credentialing – Certified Paediatric Podiatrist
2014	ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF GLASGOW Fellow of the Faculty of Podiatric Medicine
2005	UNIVERSITY OF SOUTH AUSTRALIA Doctor of Philosophy – Research Thesis (Health Science)
1997	UNIVERSITY OF SOUTH AUSTRALIA Graduate Diploma of Social Science (Child Development)
1997	AUSTRALIAN ACADEMY OF PODIATRIC SPORTS MEDICINE Fellowship
1985	SOUTH AUSTRALIAN INSTITUTE OF TECHNOLOGY Diploma of Applied Science (Podiatry)

CURRENT EMPLOYMENT

[PODIATRY BOARD OF AUSTRALIA - REGISTRATION - POD0001236723]

2016	Honorary Senior Lecturer, Department of Podiatry, La Trobe University, Melbourne, Victoria, Australia
2014	Research Leader, and Goodwill Ambassador (Honorary), 'Walk for Life' - Bangladesh, Glencoe Foundation, Victoria, Australia
2009	International Clinical Practice Advisory Committee (Honorary), 'Walk for Life' - Bangladesh, Glencoe Foundation, Victoria, Australia
1990	Director - Marion Podiatry, Oaklands Park, Adelaide, South Australia

AWARDS

- 1988 Inaugural Award for best National Journal paper
Australian Podiatry Association (SA) - Solutions to Podiatric Problems in Diabetes
- 1990 Award for best National Journal paper
Australian Podiatry Association (SA) – Polydactylism
- 1992 Editor’s Award - National
Australian Podiatry Association
- 1993 Life Membership
International Diabetes Federation
- 2001 Olympic Games Service Award
Australasian Podiatry Council
- 2004 Chancellor’s Award – University of South Australia
Community Paediatric Teaching Clinics Initiative
- 2006 Commonwealth Games Commemorative Medal
Melbourne 2006 Commonwealth Games Corporation
- 2010 Best conference presentation
Australian Podiatry Association (SA) Conference, Adelaide
- 2010 Special Olympics IX National Games Commemorative Medal
Adelaide 2010 Special Olympics Australia
- 2010 Chancellor’s Commendation – University of South Australia
Special Olympics IX National Games
- 2012 Best Research Paper
Podiatry New Zealand Conference, Auckland
- 2013 *Crescam Ministrando* Women Award
Seymour College, Adelaide
- 2014 Honorary Member NCP Podiatry Development Assistance League (Russia)
- 2015 Ritchie Trust Research Fellowship
Royal College of Physicians and Surgeons of Glasgow
- 2016 Winner – Excellence in Delivering Primary Care
BMJ South Asia Healthcare Awards

SUMMARY OF EMPLOYMENT

January 2014 – Feb 2016	Senior Lecturer/ Supervisor (Visiting), Department of Podiatry, La Trobe University, Melbourne, Victoria, Australia
February - Dec 2013	Senior Lecturer, Department of Podiatry, La Trobe University, Melbourne, Victoria, Australia
Sept 2012 – Oct 2014	Research Associate, Health and Rehabilitation Research Institute, AUT University, Auckland, New Zealand
April 2010 – Mar 2013	University of South Australia Senior Research Fellow (adjunct academic staff)
June 2010 – Sept 2012	AUT University Visiting Senior Lecturer/Research collaboration
Oct 2010 – July 2012	Private Practice, Malvern Medical Centre, Adelaide, S.A
Nov 2000 – Sept 2010	Private Practice, SportsMed.SA, Adelaide, S.A
August 2007 – Jan 2010	University Of South Australia Academic Staff, Lecturer in Podiatry/Research (0.2 FTE)
June 2001 – Nov 2006	University Of South Australia Supervisor undergraduate Paediatric Podiatry Clinical Practice 300 & 301
Feb 1996 – May 2001	University Of South Australia Lecturer (B) in Podiatric Medicine 201 & 300 (0.4 FTE) Supervisor undergraduate Paediatric Podiatry Clinical Practice 300 & 301 Course coordinator Podiatric Medicine 201 Course coordinator & Lecturer Paediatric Podiatry G (postgraduate) Course coordinator Advanced Podiatric Medicine (postgraduate)
January 1991 - 2004	Ashford Medical Centre, Adelaide, S.A. Visiting Podiatrist
May 1990 - 1992	Flinders Medical Centre, Adelaide, S.A. Visiting Podiatrist
November 1989	Islington Health Authority, London, U.K. Employed as locum Podiatrist
Sept/Oct 1988	E.J. & A.E. Boys, Newcastle, N.S.W. Employed as locum Podiatrist. This practice encompassed all realms of Podiatric Medicine, with emphasis on biomechanics, diabetes, paediatrics and sports.
1987 - 1989	Diabetes Education & Stabilisation Centre, Royal Newcastle Hospital, N.S.W. Appointed as the first full-time Podiatrist for the above Centre and Consultant Podiatrist to the satellite Diabetes Education Service. This position became part of an acclaimed multidisciplinary health care team, dedicated to prophylactic education and preventative management of people with diabetes mellitus. It presented the unique opportunity to work as Diabetes Educator in addition to Podiatrist. This work included: patient screening, clinical treatment, surgery, orthoses prescription and fabrication, total contact casting, patient education, research, ward rounds, lecturing to Medical/Allied Health Staff and Medical Students.
Mar 1986 - May 1986	Glenside Hospital, Adelaide,S.A. Employed as locum Podiatrist. This work involved routine treatment and diabetic foot management of Psychiatric residents.

- Feb 1986 - Oct 1986 P.W.Barry, Adelaide, S.A.
Employed as locum Podiatrist. The practice encompassed geriatric care, paediatrics, nail surgery and sports medicine.
- Jan 1986 - Dec 1986 Flinders Medical Centre, Adelaide, S.A.
Podiatry Residency Program. This work involved various Podiatry clinics (e.g. new patient, high risk, general, orthoses) and rotation through other Allied Health and specialist medical units. A clinical education project was included.

PROFESSIONAL INVOLVEMENT (HONORARY POSITIONS)

CLUBFOOT AID PROJECTS

2009 – Present	Glencoe Foundation, Clubfoot aid program, Bangladesh ‘Walk for Life’, International Clinical Practice Advisory Committee
2012	Ponseti clubfoot training (3 days) for Pacific Island orthopaedist and physiotherapist, with Sydney Children’s hospital team, Nukualofa, Tonga.
2008 – 2009	Infant club-foot aid project – Bangladesh – International Committee - Red Cross
2005 – 2009	Infant club-foot aid project – Vietnam - East meets West Foundation Australasian College of Podiatric Surgeons, Variety Club of Australia, Clarks Australia/Pacific Brands

RESEARCH

2012 – Present	<i>Journal of Foot and Ankle Research</i> - Editorial Board
2009 – Present	<i>British Medical Journal</i> – Invited Reviewer
2008 – Present	<i>Nature Clinical Practice, Rheumatology</i> – Invited Reviewer
2008 – Present	<i>Gait and Posture</i> – Invited Reviewer
2007 – Present	Cochrane Library – Invited Reviewer
2001 – Present	Peer Reviewer (invited) <i>Journal of American Podiatric Medical Association</i>
2001 – Present	American College of Foot and Ankle Orthopedics and Medicine International Advisory Board of <i>The Foot</i> and invited Peer Reviewer
2007 – 2012	<i>Journal of Foot and Ankle Research</i> - International Advisory Board
2010 – 2011	Scientific Committee, Australasian Podiatry Conference, Melbourne (Awards Judge)
2008 – 2009	Scientific Committee, Australasian Podiatry Convention, Gold Coast (Awards Chair)
2006 - 2007	National Health and Medical Research Council (NHMRC) advisory team from Division of Health Science, University of South Australia
2003 – 2007	Peer Reviewer and Advisory Committee <i>Australasian Journal of Podiatric Medicine</i>
2006 – 2007	Scientific Committee, Australasian Podiatry Convention, Hobart TAS (Awards Judge)
2003	National Health and Medical Research Council (NHMRC) advisory team from Division of Health Science, University of South Australia
2004 – 2005	Scientific Committee, Australasian Podiatry Convention, Christchurch, NZ
1997 - 1998	Scientific Committee, National conference Australian Podiatry Council, Adelaide

SPORTS MEDICINE

1991 - Present	Australasian Academy Podiatric Sports Medicine: Fellow
1993 - Present	Individual Member, International Federation of Sports Medicine
2010 - 2011	Clinical Director - Special Olympics IX National games – Adelaide
2004 – 2007	Education Committee, Sports Medicine Australia SA
2006	Commonwealth Games Medical Program – Melbourne 2006
2005	Special Olympics Medical Program – Nagano
2001 – 2003	Honorary State Treasurer, Sports Medicine Australia – SA
2000	Olympic Games Medical Program – Sydney 2000
1999 - 2002	Discipline Columnist for ‘Sport Health’, National Sports Medicine Australia Journal
1998 - 2003	Sports Medicine Australia - State Councilor SA
1987 -1989	Sports & Podiatry Group, NSW
1986	South Australian Road Runners Club

DIABETES

2013- 2016	Medical Education Scientific Council (MESAC), Diabetes Australia
2013 - 2016	Medical Education Scientific Advisory Council (MESAC), Diabetes Australia
1996 - 2012	Health Care and Education Committee (HCEC), Diabetes Australia
1988 - Present	International Diabetes Federation (Life Member 1993)
1997 - 2002	National Association of Diabetes Centres - Steering committee National Foot Project
1987 - 2001	Australian Diabetes Society
1988 - 1995	Juvenile Diabetes Foundation Australia

1987 - 1993	Australian Diabetes Educators Association
1989 - 1993	European Association for the Study of Diabetes
1989 - 1991	British Diabetic Association
1987 - 1989	Diabetes Podiatry Group, NSW

UNIVERSITY

2007 - Present	St Mark's College Executive Board
2006 – Present	St Mark's College Council
1998 - 1999	Convener: National Paediatric Podiatry Conference, University of South Australia
1995 - 1997	University of South Australia - Post graduate Podiatry course committee
1992 - 1996	University of South Australia, Alumni Association Board of Management
1985	President of SAIT Podiatry Student's Association

PODIATRY

2015 - Present	Australasian Podiatry Council Professional Credentialing Committee
2011 - 2015	AHPRA assessment panel
2011 – 2012	Consultant assessor for AHPRA
2005 – 2006	Honorary Treasurer & Councilor, Australian Podiatry Association SA
1986 - Present	Australian Podiatry Association SA
1992 - 2016	Official Podiatry Advisor to Diabetes Australia
1990 - 1995	Coordinator of the Podiatry Preceptorship Program, SA
1992 - 1993	Councilor, Australian Podiatry Association, S.A.
1993	Proxy National delegate (SA) to Australian Podiatry Council
1993	Junior vice-President, Australian Podiatry Association (SA)
1987 - 1989	Honorary Secretary, Hunter Podiatry Group, NSW
1987 - 1989	Councilor, Australian Podiatry Association, NSW
1988 - 1989	Publicly Employed Podiatrists Group, NSW
1986	Australian Hospital Podiatrists Group

COMMUNITY BOARDS (VOLUNTARY ROLES)

1995 – 2000	General Medical Committee, Ashford Community Hospital Inc.
2007 – 2015	Councillor, St Peter's Anglican Cathedral, North Adelaide
2007 – 2015	Executive, St Peter's Anglican Cathedral, North Adelaide
2007 - 2016	Committee, Adelaide Cathedral Art Prize and Exhibition
2014 - Present	Chair, The Magdalene Centre - Anglicare, Committee of Management, Adelaide
2017 – Present	People's Warden, St Peter's Anglican Cathedral, North Adelaide

RESEARCH GRANTS

1999	Supported Researcher Grant – University of South Australia	\$1500
1999	Clark’s Australia	\$1000
2000	‘Growing pains’: how many children are affected and is it related to foot posture? Australian Podiatric Education and Research Foundation	\$2500
2000	University of South Australia – Supported Researcher	\$500
2002	Brooks (merchandise)	\$1000
2003	Brooks (merchandise)	\$3000
2008	How many Australian children with growing pains actually have restless legs? NHMRC Post Doctoral Grant Scheme - CIA University of South Australia	\$10000
2008-9	NHMRC – AI Impact of Foot Disorders in Australia: The North-West Adelaide Foot Health Study Hill C, Menz H, Taylor A et al	\$450000
2009	Supported Researcher Grant – University of South Australia	\$1500
2010	Supported Researcher Grant – University of South Australia	\$1500
2011	Australian Podiatry Association SA O’Loughlin C, Evans AM	\$1500
2011	Medicine Today Evans AM, O’Loughlin C	\$1500
2011	Supported Researcher Grant – University of South Australia	\$1500
2014	Heel lifts versus eccentric calf muscle exercise for rehabilitation of Achilles tendinopathy. RFA grant - La Trobe University S. Munteanu, K. Landorf, A. Evans, J. McClelland, P. Malliaras, H. Menz.	\$48,704
2015	An investigation of the relationships between footprints, foot strength, joint flexibility, vitamin D and iron levels in children with and without leg pain aged three to 12 years. Ritchie Trust Research Fellowship, Royal College of Physicians and Surgeons of Glasgow. [GBP£10000 approx..AUD\$20,000 - 16/03/2015]	£10,000
2016	Do customised fit shoes increase physical activity in children with Down syndrome? Sport, Exercise and Rehabilitation Research Focus Area Grant Scheme 1 – Pilot Project N. Shields, S. Munteanu, A. Evans, C. Williams	\$24, 143
2016	Is a change in body composition and adipokines associated with foot pain? ARA Project Grant & Arthritis Australia and State/Territory Affiliate Grant. School of Medicine, Flinders University T. Walsh, A. Yaxley. A. Evans, M. Shanahan	\$15,000
2016	Is chronic foot pain in middle-aged women associated with increased subcutaneous fat? Australian Podiatry Education & Research Foundation T. Walsh, J. Arnold, A. Evans, A. Yaxley. C. Hill, M. Shanahan	\$3,580

Total funds received ~AUD \$139,000

RESEARCH EXAMINATION AND HIGHER DEGREE SUPERVISORY ROLES *

1991	The prevalence of diabetic complications in the lower limb Laurence C. Foley Curtin University, WA	Masters App Sc
1998	Evaluating a diabetic foot screening package using goal attaining scaling Jeffrey M. Peters Curtin University, WA	Masters Sc
2003	The effect of a 25% urea cream and sorbolene in the treatment of heel fissures: a double-blind, randomized controlled trial Sally L. Smillie University of Western Sydney, NSW	Honours
2004	Investigation of dynamic angle of gait and radiographic characteristics of the first metatarsophalangeal joint in subjects with hallux limitus Michael J. Taranto University of Western Australia	Masters Med Sc
2007	The neuro-muscular and musculo-skeletal characterization of children with joint hypermobility Heather G. Netscher Queensland University of Technology	PhD
2009	Community based management of diabetes related foot complications - current and future models of care Shan M. Bergin La Trobe University, Vic	PhD
2010	The reliability and relationship of Feiss' angle, navicular height, foot posture index and the paediatric flat foot proforma in children aged eight to ten years Katharine A. Kneebone University of South Australia	Honours *
2013	An investigation of the foot health in people with Down syndrome. Polly Qiao Xian Lim La Trobe University, Vic	Honours *
2013	An investigation of the relationships between FPI-6 scores, footprints and 3D footscans in children aged eight to 12 years. Chantel Rabusin La Trobe University, Vic	Honours *

2014 -	The role of adipokines in foot osteoarthritis Tom Walsh Flinders University of South Australia	PhD *
2015 -	Heel lifts versus eccentric calf muscle exercise for rehabilitation of Achilles tendinopathy Chantel Rabusin La Trobe University, Vic	PhD *
2016 -	Biomechanical effects of footwear on paediatric gait. Matthew Collinson (NIHR MRes Fellowship) University of Southampton, UK	Masters *

LECTURE PRESENTATIONS (ABRIDGED)

1987

- Diabetic Foot Ulcers – it's all in the mechanics. Queensland State conference * **Keynote speaker**
- The Total Contact Cast. 13th Biennial Australian Podiatry Association Convention, Perth

1988

- Mechanical Considerations in the Neuropathic Diabetic Foot. 13th International Diabetes Federation, Singapore
- Thermographic findings in a Diabetes Podiatry clinic. A.Evans, K.Bowen, P.Moffitt. 13th International Diabetes Federation Congress, Sydney

1989

- The Diabetic Foot – perspective from down-under. Manchester Royal Infirmary, UK
- The Diabetic Foot – considerations. Queen Margaret's College, Edinburgh, UK

1990

- Incident Findings in Foot Status in newly diagnosed NIDDM. 14th Biennial Australian Podiatry Association Convention, Hobart
- Australian Podiatric Guidelines for Diabetes Australian Diabetes Society / Australian Diabetes Educators Association, Perth

1991

- The HAPPY Foot – an acronym and model from down under 14th International Diabetes Federation Congress, Washington DC, USA

1992

- Metatarsus Adductus - 2 day Seminar Queensland Podiatrists * **Keynote speaker**
- Rationalised Foot Screening Guidelines. Inaugural Foot-Problems-in-Diabetes meeting. Melbourne
- Children in Sport. Australian Sports Medicine Federation Perth
- Rationalised Diabetic Foot Screening, Diabetes Podiatry Group, NSW * **Keynote speaker**
- Pain scoring as a clinical determinant of the efficacy of treatment for a child with aching legs. Australasian Podiatry Congress, Methven NZ * **Invited Speaker**
- Developmental Biomechanics. Paeds & Pods IV (Convenor) * **Opening Address**

1993

- Rationalised Foot Screening in Diabetes, World Congress of Podiatry, Brighton, U.K.
- Hip developmental Biomechanics, Australian Physiotherapy Annual General meeting, University of South Australia

1994

- Foot Injuries in Children in Sport, Commonwealth Games Sports Medicine meeting, CANADA
- Developmental biomechanics - Hip & femur; Developmental Biomechanics - Foot & ankle; Paediatric splints and orthoses. Paediatric Seminar, Adelaide

1995

- Navicular syndromes. Sports Medicine Australia - National Conference, Adelaide
- Navicular syndromes. Sports Medicine Australia - National Conference, Hobart

1996

- Frieberg's Infarction, 17th Australian Podiatry Association National Convention, Melbourne
- Diabetes Guidelines – update, 17th Australian Podiatry Association National Convention, Melbourne

1997

- Considerations and Applications of Posterior Night Splints, Sports Medicine Australia - National Conference, Canberra

1998

- Pain scoring as a clinical determinant of the efficacy of treatment for a child with aching legs. 18th Australian Podiatry Conference. Adelaide
- Debate: Orthotic Therapy as we know it has lost its way (negative), 18th Australian Podiatry Conference, Adelaide
- Considerations and applications of posterior night stretch splinting. 18th Australian Podiatry Conference. Adelaide
- Considerations and applications of posterior night stretch splinting. 11th Commonwealth and International Scientific Congress. Commonwealth Games Sports Medicine conference. University of Malaya, Kuala Lumpur, Malaysia
- Toe walking and the achilles tendon. Sports Medicine Australia - National Conference. Adelaide

LECTURE PRESENTATIONS (ABRIDGED) ... CONTINUED

1999

- Pain scoring as a clinical determinant of the efficacy of treatment for a child with aching legs. Australasian Podiatry Congress. Methven, NZ * **Invited Speaker**
- Considerations and applications of posterior night stretch splinting: Australasian Podiatry Congress, Methven, NZ * **Invited Speaker**
- The modified Stabilising Foot Splint. Paediatric Podiatry Conference, Fraser Island * **Invited Speaker**
- Plantar Fascial Tear: 3 x 3 slides, International Olympic Committee Congress, Sydney

2000

- National Footcare Project – report on the pilot study. National Diabetic Foot Conference, Sydney * **Key-note Speaker**
- Anterior Knee Pain. Sports Medicine Australia (SA). Continuing Education Forum, Adelaide * **Invited Speaker**
- Lower limb Paediatric assessment. 7th Annual Northern Zone Allied Health Professionals Conference. Townsville, QLD * **Invited Speaker**

2001

- Podiatry at the Olympic Games, Sports Medicine Australia (SA), Barossa Valley
- Reliability of the FPI and other measures, Australasian Podiatry Conference, Canberra
- Growing Pains: A Systematic Review of the Literature, Australasian Podiatry Conference, Canberra
- Reliability of the FPI and other measures, Research Degrees Annual seminar, University of South Australia
- Paediatric & Olympic Podiatry, University of South Australia
- Developmental Biomechanics / Research in Practice / Osteochondroses * **Invited Speaker**
Rural Podiatry Group, Castlemaine, Vic
- The Intraclass correlation coefficient, PhD Class, University of South Australia

2002

- Victorian & Tasmanian State Podiatry conference * **Invited Speaker**
- Assessment of the Paediatric Foot – Research in Practice, Hobart
- SA State Podiatry conference * **Invited Speaker**
Clinical Practice – The Start of Research, Barossa Valley
- Pharmaceutical Society SA, Adelaide * **Invited Speaker**
- 10th Cochrane Colloquium, Stavanger, Norway

2003

- Foot –steps: Come-Out Arts Festival. Edwardstown Primary School, Year 1 & Year 6 classes
- A Prevalence study of leg pain in young children: Growing Pains, Australasian Podiatry Conference, Perth
- Neurological examination, Post-graduate Podiatry subject – Advanced Podiatric Medicine, University of SA
- Leg pain in young children – QoL issues. International Society Of Quality Of Life, Prague
- Osteochondroses, PG Sports Podiatry – University of SA

2004

- Postgraduate Paediatrics – 2-day intensive and clinical supervision, University of SA
- Clinical Reasoning. Victorian Rural Podiatry Group, Stawell * **Key-note Speaker**
- Clinical Reasoning. Victorian Rural Podiatry Group, Shepparton * **Key-note Speaker**

2005

- Paediatric Foot and Leg injuries in sports. Sports Medicine Australia – Vic * **Invited Speaker**
- Are Foot Posture and Functional Health different in Children with Growing Pains? Australasian Podiatry Conference, Christchurch, New Zealand
- The assessment of foot posture and ankle range in young children. Australasian Podiatry Conference, Christchurch, New Zealand
- Are Foot Posture and Functional Health different in Children with Growing Pains? Australian Paediatric Physiotherapy conference, Alice Springs
- Clinical reasoning. Queensland Podiatry Association, Brisbane * **Invited Speaker**
- The assessment of foot posture and ankle range in young children. Queensland Podiatry Association, Brisbane * **Invited Speaker**
- Reliability of the FPI and other measures. Musculoskeletal Physiotherapy Australia conference, Brisbane

LECTURE PRESENTATIONS (ABRIDGED) ... CONTINUED

2006

- ⦿ Wound management protocols in athletes. AAPSM acute injury management seminar, Melbourne
*** Invited Speaker**
- ⦿ Lower limb growth plate injuries, Sports Medicine Australia (SA)
- ⦿ Ponseti clubfoot seminars for Vietnamese doctors – Q. Ngai (June), Q. Tri (August) (translated)
- ⦿ Biomechanics of the foot & ankle. National Sonography conference, Adelaide *** Invited Speaker**
- ⦿ Biomechanics: current developments, clinical applications, Queensland State Podiatry conference, Mooloolaba
*** Invited Speaker**
- ⦿ Common paediatric conditions, Queensland State Podiatry conference, Mooloolaba
*** Invited Speaker**
- ⦿ Serial casting of infants, SA State podiatry conference, Adelaide *** Invited Speaker**
- ⦿ Are foot posture and functional health different in children with growing pains? International Pediatric pain forum, Nova Scotia, Canada

2007

- ⦿ International Red Cross Ponseti clubfoot seminar for Vietnamese doctors – Ho Chi Minh City (translated)
*** Invited Speaker**
- ⦿ Sports Medicine Update for GP's, Sports Medicine Australia, Adelaide *** Invited Speaker**
- ⦿ The flat-footed child. To treat or not to treat, what is the clinician to do? Australasian Podiatry Conference, Hobart
*** Invited Speaker**
- ⦿ Paediatric podiatry and clinical research. Australasian Podiatry Conference, Hobart. *** Invited Speaker**
- ⦿ The flat-footed child - what is the clinician to do. Auckland University of Technology, New Zealand.
*** Magnus Key-note Lecture**

2008

- ⦿ The flat-footed child. To treat or not to treat, what is the clinician to do? Western Australian Podiatry Conference, Perth
*** Invited Speaker**
- ⦿ Paediatric podiatry and clinical research. Western Australian Podiatry Conference, Perth. *** Invited Speaker**
- ⦿ International Red Cross Ponseti clubfoot seminar for Vietnamese doctors – Ho Chi Minh City (translated)
*** Invited Speaker**
- ⦿ Vietcot Ponseti clubfoot seminar for Vietnamese doctors – Hanoi (translated)
*** Invited Speaker**
- ⦿ Key-stone paediatric podiatry seminar - Sydney
*** Invited Speaker**
- ⦿ New Zealand Podiatry Conference, Auckland
*** Invited Speaker**
- ⦿ Society of Chiropractors and Podiatrists Annual conference, Bournemouth, UK
*** International Key-note Speaker**
- ⦿ International Red Cross - Ponseti clubfoot seminar for Bangladesh doctors
*** Invited Speaker/Trainer**

2009

- ⦿ Sports Medicine Update for GP's, Sports Medicine Australia, Adelaide *** Invited Speaker**
- ⦿ Paediatric assessment, University of Newcastle, Podiatry students – day seminar *** Invited Speaker**
- ⦿ The revised paediatric flat foot proforma (p-FFP). Australasian Podiatry Conference, Gold Coast.
- ⦿ Restless legs syndrome. Australasian Podiatry Conference, Gold Coast
- ⦿ Key-stone paediatric podiatry seminar – paediatric assessment, Sydney *** Invited Speaker**
- ⦿ Key-stone paediatric podiatry seminar – paediatric assessment; hypermobility Auckland *** Invited Speaker**
- ⦿ Paediatric screening guidelines – Australian Podiatry Association (SA), Adelaide *** Invited Speaker**
- ⦿ Australasian Podiatry Association (Tas) conference - paediatric assessment; joint hypermobility; using the evidence, Hobart
*** Keynote Speaker**
- ⦿ Australian Diabetes Educators Association – diabetic foot assessment, Adelaide
- ⦿ International Red Cross - Ponseti clubfoot seminar for Bangladesh doctors
*** Invited Speaker/Trainer**
- ⦿ Australasian Podiatry Association (Vic) Paediatrics conference, Melbourne *** Keynote Speaker**

2010

- ⦿ Australian Podiatry Association (SA) conference - paediatric flatfoot **** Best paper award ****
- ⦿ Australian Podiatry Association (SA) conference – Diabetic foot – ABCS assessment

LECTURE PRESENTATIONS (ABRIDGED) ... CONTINUED

- ◉ International Red Cross - Ponseti clubfoot seminar for Bangladesh doctors *** Invited Speaker/Trainer**
- 2011**
 - ◉ Paediatric flat foot: an evidence based approach. Illinois Podiatric Medical Association conference, Chicago, USA *** Keynote Speaker**
 - ◉ Paediatrics: The year in Review. Evans A. Australasian Podiatry conference, Melbourne, 2011
 - ◉ Development of a parental report questionnaire for restless legs syndrome (p-RLS) in children: the p-RLSQ. Evans A, Blunden S, Spooner R. Australasian Podiatry conference, Melbourne, 2011
 - ◉ 'Highs and lows' of paediatric foot assessment: separating the wheat from the chaff. Evans A, Burns J (workshop). Australasian Podiatry conference, Melbourne, 2011
 - ◉ Special Olympics IX National Games, Healthy Athletes Program – 'Fit Feet' (poster). [Angela Evans](#), Meagan Reeve, Rebecca Rundell, Wen Qi Ng, Daina Walton. Australasian Podiatry conference, Melbourne, 2011.
 - ◉ Clinical measures of paediatric foot posture: a critical review (poster). [Angela Evans](#), Sheila Scutter, Katherine Kneebone. Australasian Podiatry conference, Melbourne, 2011.
 - ◉ Paediatric podiatry – professional peers workshop, AUT University, Auckland, New Zealand. May 14, 2011
 - ◉ AUT University, New Zealand – paediatrics block teaching, undergraduate students
 - ◉ Country Health SA – 1 day workshops – podiatrists and physiotherapists - Tanunda, Whyalla, Mt Gambier
 - ◉ International Red Cross - Ponseti clubfoot seminar for Bangladesh doctors *** Invited Speaker/Trainer**
 - ◉ Feet and anthropometry in Australian school children - Australasian Obesity Conference, Adelaide
- 2012**
 - ◉ Paediatric foot training workshop (2 day) for podiatrists – Hong Kong *** Key-note Speaker**
 - ◉ Evaluation of results of Ponseti technique after 12 months in north-western Bangladesh. Australasian Ponseti conference, Auckland, New Zealand
 - ◉ Biomechanical assessment of the paediatric foot: using the current evidence (poster) – International foot and ankle biomechanics (i-FAB) conference, Sydney (Evans A, Rome K)
 - ◉ Paediatric flat foot proforma; Paediatric growing pains. Queensland paediatric podiatry seminar, Cairns *** Invited Speaker**
 - ◉ Sports Medicine Update for GP's, Sports Medicine Australia, Adelaide *** Invited Speaker**
 - ◉ Lower limb hypermobility in children: reliable assessment using the Beighton and lower limb assessment scores. Podiatry New Zealand Biennial conference, Auckland **** Best paper award ****
 - ◉ Biomechanical assessment of the paediatric foot: using the current evidence (poster) – Podiatry New Zealand Biennial conference, Auckland (Evans A, Rome K)
- 2013**
 - ◉ The relationship between paediatric foot posture and body mass – do heavier kids really have flatter feet? Australasian Podiatry conference, Sydney, 2013
 - ◉ Foot posture across childhood: what is normal? AUT Research away day, Auckland, New Zealand
 - ◉ The Bangladesh Clubfoot Project: the first 5000 feet. Federation International Podology conference, Rome, Italy
 - ◉ The relationship between paediatric foot posture and body mass – do heavier children really have flatter feet? Federation International Podology conference, Rome, Italy
 - ◉ Foot posture across childhood: what is normal? Paediatric SIG, Melbourne *** Invited Speaker**
 - ◉ Heart and Sole: experiences of a children's aid project in Bangladesh. Paediatric SIG, Melbourne
- 2014**
 - ◉ The Bangladesh clubfoot project: audit of two-year outcomes of Ponseti treatment in 400 children. Australasian Ponseti conference, Melbourne
 - ◉ Children with flatfeet, intoed gait, or knock-knees - when to do what? South Australian Podiatry conference, Adelaide *** Invited Speaker**
 - ◉ Mitigating clinician and community concerns about children's flatfeet, intoed gait, or knock-knees/bow-legs – a simple approach of when to do what. 2nd International Preventing Overdiagnosis conference, The Centre for Evidence-Based Medicine, University of Oxford, UK
 - ◉ Paediatric foot development – 3rd International Science and Practice conference, Moscow *** Invited Speaker**

LECTURE PRESENTATIONS (ABRIDGED) ... CONTINUED

- ⦿ Paediatric leg pain – 3rd International Science and Practice conference, Moscow
*** Invited Speaker**
- ⦿ Masterclass: Paediatric foot development – 3rd International Science and Practice conference, Moscow
*** Invited Speaker**
- ⦿ Masterclass: Paediatric foot development – 3rd International Science and Practice conference, Moscow
*** Invited Speaker**

2015

- ⦿ The Bangladesh Clubfoot Project: Audit Of Two-Year Outcomes Of Ponseti Treatment In 400 Children Congress of Physical Therapy, Singapore
- ⦿ Mitigating clinician and community concerns about children's flatfeet, intoed gait, or knock-knees Australasian Podiatry conference, Gold Coast
- ⦿ The Bangladesh Clubfoot Project: Audit Of Two-Year Outcomes Of Ponseti Treatment In 400 Children. Australasian Podiatry conference, Gold Coast
- ⦿ Intoe gait, knock knees, and children's flatfeet - a simple tool to mitigate community concerns and confusion. Australian Podiatry Association (Tasmania) State Conference 2015, Hobart *** Invited Speaker**
- ⦿ Congenital clubfoot: the 'walk for life' model. Australian Podiatry Association (Tasmania) State Conference 2015, Hobart *** Invited Speaker**
- ⦿ Paediatric flatfoot: 'when to do what, and to which?' - evidence-guided clinical directives. College of Podiatry Annual Conference 2015, International Centre, Harrogate, UK *** Key-note Speaker**
- ⦿ Congenital clubfoot: the 'walk for life' model. College of Podiatry Annual Conference 2015, International Centre, Harrogate, UK *** Key-note Speaker**
- ⦿ Intoe gait, knock knees, and children's flatfeet - a simple tool to mitigate community concerns and confusion. College of Podiatry Annual Conference 2015, International Centre, Harrogate, UK *** Key-note Speaker**

2016

- ⦿ The Bangladesh clubfoot project: audit of two years outcomes in 400 children and four-year outcomes in 103 children treated with the Ponseti method. Evidence in Global Disability and Health, International Centre for Evidence in Disability, London School of Hygiene & Tropical Medicine, London, UK
- ⦿ 'Walk for Life' - the Bangladesh clubfoot project: results after two years in 400 children, and after four years in 150 children treated with the Ponseti method. Australian Podiatry Association (Victoria) State conference, Melbourne
- ⦿ 'Walk for Life' - the Bangladesh clubfoot project. Australian Podiatry Association (South Australia) State conference, Adelaide
- ⦿ 'Walk for Life' - the Bangladesh clubfoot project: results after two years in 400 children, and after four years in 150 children treated with the Ponseti method. Australian Podiatry Association (Queensland) State conference, Brisbane
- ⦿ 'Walk for Life' – BMJ South Asia Healthcare Awards, Finalist Jury presentation – Excellence in Delivering Primary Care. Delhi, India.

2017

- ⦿ The Bangladesh clubfoot project - Walk for Life. Armed Forces Medical College, Dhaka, Bangladesh *** Invited Speaker**
- ⦿ An investigation of the relationships between footprints, foot strength, joint flexibility, vitamin D and iron levels in children with and without leg pains aged three to 12 years. Australasian Podiatry Conference on 24 – 26 May 2017, Melbourne Convention and Exhibition Centre.
- ⦿ Application of 'fast cast' and 'needle tenotomy' protocols with the Ponseti method for improved clubfoot management in Bangladesh. Australasian Podiatry Conference on 24 – 26 May 2017, Melbourne Convention and Exhibition Centre.
